Northeastern Seattle today

ITEM	WHAT WAS FOUND	SOURCE
Virtual tour	No 360 or video virtual tour found on the Seattle campus pages	seattle.northeastern.edu/the-seattle-campus/
Interactive map	None found; pages list two addresses only	seattle.northeastern.edu/the-seattle-campus/about-the-campus/
Student Campus Guide	A PDF from about October 2022 with study spaces by floor, laptop loans, transit and emergency steps. No maps or hours	seattle.northeastern.edu/wp-content/uploads/sites/3/2022/12/Student-Campus-Guide_Dec-2022.pdf
Live offers	Booked tours and appointments; free monthly Zoom sessions called Seattle Virtual Campus Connect	enroll.northeastern.edu/portal/campusconnect?tab=F._Seattle; connect.northeastern.edu/portal/seattle_virtual_campus_connect
Boston and Oakland	Undergraduate admissions links an interactive YouVisit tour; Seattle is not mentioned	admissions.northeastern.edu/visit/virtual-visit-experience/

> Northeastern's own pages disagree on the Seattle tour address (225 Terry Ave N versus 401 Terry Ave N #103). I did not open the YouVisit tour itself, so its features are unknown. SOURCED

Gap and opportunity

- Tour vendors sell 360 content but none of the vendor pages read showed an AI guide inside the tour.
- Chat vendors sell AI answers but none of those pages showed 360 or map views.
- NuCampus360 combines the two for one campus. For Seattle, no virtual tour was found. SOURCED

Where competitors are stronger

- Scale and trust: YouVisit claims 700+ partners; Ocelot claims 500+ institutions (vendor claims).
- Integrations with CRM and student information systems.
- Analytics portals and multi-language support.

Implications

- Do not compete as a platform. Offer a lightweight pilot for one campus. PROPOSED
- Lead with the combination: see the space, ask the question. PROPOSED
- Offer admissions a view of the questions students ask. PROPOSED
- Ask for quotes from YouVisit and Concept3D so pricing claims can be compared. PROPOSED

Limits

- Customer counts and result figures are marketing claims.
- Northeastern's Boston map was not researched.
